- C. Review of budget process

City Manager Michael Hall gave a brief history of the Architectural Review Committee, the \$25,000 budget for Downtown Façade and Gateway Improvement Grants, and signage. The transition to the Beautification Committee has three things to consider when proposing projects:

1. Codes, Ordinances, and Comprehensive Plan
2. Ongoing Maintenance
3. Budget

The budget which begins May 1st must be approved by the City Council. The committee can start getting volunteers, donations, etc. This is a recommending body so any projects must be presented

and approved by the City Council. He anticipates the Façade Grant program remaining at a \$25,000 budget.

Jane Hove asked if the committee would be soliciting donations or who would do that.

City Manager Michael Hall said it doesn't have to be just his committee that it can be open to other ideas such as a church, non-profit, or club. He said the projects are not just limited to the downtown area and that the more people involved, the better.

D. Review of current Façade Grant program

City Manager Michael Hall said that this program does have restrictions and guidelines and that Community Director John Sauter would guide them through that. Any changes to those guidelines would have to go before the City Council for approval.

John Hulseberg confirmed that the Downtown Improvement Grant is the Façade program that has been in existence and asked if the Gateway is new. He confirmed that if it's not new that the \$25,000 budget is for both the Façade and Gateway Grants.

Director John Sauter said that the Gateway Grant program has been in existence but has rarely been used.

City Manager Michael Hall said that he would need to know a budget amount proposal by March 13th to see about putting it into the budget to be voted on.

Lyn Bute asked if his project of doing a snow sculpture in January could be included for funding.

There is nothing in the budget yet as it will come out May 1st after the budget process.

John Hulseberg asked if this committee is bound by the Open Meetings Act.

City Manager Michael Hall said yes, you are formally a committee so they will have to meet in an official capacity.

There was conversation of three or more members meeting constitutes a meeting, about publishing meetings, having Special meetings, and who to communicate that to.

E. Generation and prioritization of initial Committee ideas

The Committee decided to meet for a Special Meeting to generate ideas on Tuesday, January 17th at 4 pm.

Subject: Downtown Hanging Baskets

Good Afternoon Michael,

As we discussed, we need to get our order in for the downtown hanging baskets (flowers). In the past, we have ordered 80 baskets with Petunias (highlighted in yellow on the Downtown Hanging Basket Flower List). I have also included the 2023 Annual Price List for our supplier (Clesen Brothers). This will include the full list of plants they offer. Jake confirmed our intent to utilize the growing space this afternoon. We just need to select a color(s).

I think we would need to have our order in before February. Would the Beautification Committee have a meeting before February 1st? If they cannot, we will need to choose a color.
