

THINK GREEN:

Do you have used motor oil in your home? Old paint? Unwanted TV or computer?

There is a convenient service offered in your community for you to properly recycle or dispose of home-generated special materials.

How does this service work?

1. Residents can contact this service to schedule a pickup of their items.
2. A Collection Kit with instructions will be mailed to your home.
3. Read the instructions carefully, there are some items unable to be collected.
4. On the day of your collection, place the Collection Bag near your front door or other area on your property that was discussed with the Customer Service Representative. The materials will be picked up at your home.
5. Materials are taken to a facility, then sorted and sent to be recycled and/or disposed of properly.

Accepted materials include:

- Paint products
- Automotive products
- Garden chemicals
- Household cleaners
- Household and vehicle batteries
- Fluorescent tubes and CFLs
- Consumer electronics
- Sharps, syringes, needles and lancets

For a complete list of acceptable items, program guidelines and to schedule a home collection:
